

Learning Lunch: Bermuda Adverse Childhood Experiences (ACEs) Study Findings

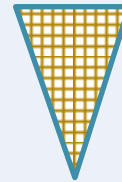

Over **700 BERMUDA-BASED RESPONDENTS** contributed to the questionnaire.

When asked about childhood experiences...

the impact is not only "in the past"...

Hear *directly from the study* leads in an interactive Zoom session created for your business!

• THEN •

- **60% EXPERIENCED THE ACE "HOUSEHOLD DYSFUNCTION"**
- **40% EXPERIENCED THE ACE "CHILD SEXUAL ABUSE"**
- **48% EXPERIENCED THE BERMUDA ACE "RACIAL PREJUDICE"**
- **80% OBSERVED TRAUMA AS A CHILD**

NOW? EACH ACE LISTED IS ASSOCIATED WITH AT LEAST A 2-FOLD INCREASE IN DEVELOPING 2+ CHRONIC DISEASES
