# BERMUDA CHAMPIONSHIP

---

Hello,

I am reaching out on behalf of The Bermuda Championship a PGA TOUR golf tournament, hosted at Port Royal Golf Course October 25<sup>th</sup> to October 31<sup>st</sup> 2021. We would like to invite you to join us as a volunteer for the week on behalf of Family Centre.

Volunteers are vital to The Bermuda Championship and play a critical role in ensuring every facet of the tournament operation runs flawlessly. At the Bermuda Championship we have just over 600 volunteers serving on various committees to accomplish all of the responsibilities necessary to orchestrate a world-class professional golf tournament. At the same time, volunteers play an imperative role in helping the tournament and local community by raising money for local charities. In fact, for every individual that registers on behalf of we earn \$200!

There are many rewards for volunteering: Individuals can share camaraderie together and with other philanthropic-minded individuals, give back to the community, and enjoy a unique behind-the-scenes experience learning what it takes to put on a major sporting event.

Each volunteer will receive a complimentary volunteer package with perks such as a polo shirt, hat, and a credential that provides access all week.

With your time contribution, we are able to host an elevated and exceptional experience at The Bermuda Championship while raising funds for critical services for children and families.

Registration instructions are attached. Please do not hesitate to reach out with questions.

Cheers,

Hannah Collins  
Family Centre Fund Development Coordinator
